

# NRCTC

NATIONAL RENAL COMPLEMENT THERAPEUTICS CENTRE

**The National Renal Complement Therapeutics Service (NRCTC) would like to invite you to our C3G patient roadshow which is to be held on:**

**Sunday 24<sup>th</sup> of November 2024**

**11:00 - 16:00**

**Manchester**

**The Edwardian Hotel Manchester, Free Trade Hall, Peter Street, Manchester, M2 5GP**

We hope this event will be of interest to both new and existing patients and will provide an opportunity for you to meet the team, find out more about C3G, and also meet other patients and families.

There will be a variety of talks given from members of the team but we would be interested to know if there are any particular topics which you would like us to include. Although we cannot be patient specific in these talks, we will try to cover the areas which patients are interested in.

There will also be an opportunity for a Q&A session, and questions can be sent in advance to the team or raised on the day.

**Lunch and refreshments will be available on arrival and throughout the day. Funding is available towards travel costs and accommodation as agreed with the aHUS Service.**

If you would like to attend, please contact us as soon as possible so we can add you to our attendance list and to discuss travel and/or accommodation requirements.

Numbers and funding are limited so please let us know by contacting:
